(Directions are available at www.CESonline.org under the **links, flyers, and handouts** link on the left hand side of our home page.)

This seminar is for those believers who want to deepen their knowledge of the Sacred Secret and learn how to more effectively study the Word of God for themselves. It is a hands-on study seminar of one of the greatest things that God has ever done for mankind—the Sacred Secret (sometimes called “the Great Mystery”), and the Administration of the Sacred Secret, which started on the Day of Pentecost and will end at the Rapture of the Church. We will study the Sacred Secret using Hebrew and Greek reference tools, Bible Dictionaries, Bible Atlases, and more.

John Schoenheit will teach techniques of Bible Study, after which students will be given work sheets with questions on them that they answer by digging into the text itself, using their Bible study tools. Then, as a group we will go over the questions and the answers that people arrived at from the text and discuss them, focusing on their implications for our Christian walk.

This year, students will be given an extensive syllabus with Bible Study helps, and what has been done to date on the CES-ASV New Testament, the New Testament translation that Spirit and Truth Fellowship is developing. Required study tools include English Bibles and concordances, Greek and Hebrew lexicons, Greek and Hebrew Concordances, a Bible Dictionary, a Bible Atlas, and a Greek Interlinear (or a laptop computer with Bible study software that contains the above study tools).

- Registration: \$150 (includes all meals from Wednesday dinner to Sunday lunch for those who stay over at the camp on Saturday night).
- **Open to the first 40 registrants who pay in full.** You will receive a what-to-bring list and directions once you have registered.
- There are rustic dormitory accommodations available at no extra charge.
